RE: Account # 

Dear Member,

As required by our rate schedule, when a meter sets a demand over 50KW twice in twelve months, the service must be change to a demand rate. According to our records your meter has done this; therefore, your account has been changed to a demand rate.

If you have any questions please contact Customer Service at 1-800-813-5230.

Thank you,

Jerry Dockins
Customer Service Manager
