AND CLOSING CASE**

Issue Date: August 1, 2013

Effective Date: August 31, 2013

On February 13, 2013, the Commission issued an order approving Lake Region Water and Sewer Co.'s application to borrow long-term, secured debt. In that order, the Commission directed the company to submit, by March 24, 2013, the final terms and conditions of the financing.

The company submitted the final terms of its financing on July 18, 2013, and requested that the Commission accept the filing out of time. The company explains that in the normal course of business, it was not possible to file the final terms of the agreement by the required date.

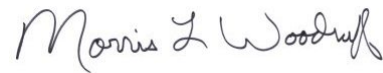

Commission rule 4 CSR 240-2.080(13) requires responsive pleadings to be filed within 10 days. More than 10 days have expired and no party has filed an objection to the company's request or its filing.

The Commission understands that the company has filed its submission in good faith and accepts the filing as such. Because there remains no further action, this case shall be closed.

THE COMMISSION ORDERS THAT:

1. Lake Region Water and Sewer Co.'s motion for leave to submit the final terms and conditions of its financing out of time is granted.
2. This order shall be effective on August 31, 2013.
3. This case shall be closed on September 1, 2013.
