ORDER SHORTENING TIME TO RESPOND

Issue Date: October 24, 2007

Effective Date: October 24, 2007

During a hearing that took place on October 23, 2007, the Regulatory Law Judge issued an order directing the Staff of the Missouri Public Service Commission ("Staff") to file a pleading regarding a former Commission case involving Time Warner Cable Information Services (Missouri), LLC ("Time Warner") that bears directly on the Commission's jurisdiction over Time Warner in the instant case. In its "Response to Order Directing Filing," which was filed on October 23, 2007, Staff complied with that order.

Under the Commission's rules, Time Warner and the Office of the Public Counsel ("OPC") would normally have a maximum of ten calendar days to respond to Staff's pleading.¹ However, given the circumstances here, the Commission will shorten that time to facilitate a prompt but informed decision on the legal issues raised in Staff's latest

pleading. Accordingly, Time Warner and OPC will be given until 5:00 p.m. on Monday, October 29, 2007, to file any such response.

IT IS ORDERED THAT:

1. Time Warner Cable Information Services (Missouri), LLC and the Office of the Public Counsel shall file their written responses, if any, to Staff's Response to Order Directing Filing by no later than 5:00 p.m. on October 29, 2007.
2. This order shall become effective on October 24, 2007.

BY THE COMMISSION

Colleen M. Dale

Benjamin H. Lane, Regulatory
Law Judge, by delegation of authority
under Section 386.240, RSMo 2000.

Dated at Jefferson City, Missouri,
on this 24th day of October, 2007.

¹ Commission Rule 4 CSR 240-2.080(15) provides that, unless otherwise ordered by the Commission, "[p]arties shall be allowed not more than ten (10) days from the date of filing in which to respond to any pleading."
