1. On March 23, 2011, Stand Up Wireless filed its Application for Designation as an Eligible Telecommunications Carrier on a Wireless Basis. The Commission granted the Company’s Application and designated it an Eligible Telecommunications Carrier (“ETC”) in order to receive federal universal service support for low income customers through the Lifeline and Link Up programs on October 26, 2011, effective November 5, 2011.

Attached to its Amendment was the Company’s Compliance Plan (“Compliance Plan”) that it filed with the FCC on March 8, 2012.
