STAFF RECOMMENDATION TO APPROVE TARIFF SHEETS

COMES NOW the Staff of the Missouri Public Service Commission (Staff), through the undersigned counsel, to recommend that the Missouri Commission approve the proposed tariff revisions included in the tariff filing JC-2011-0481, and respectfully states the following:

1. On March 25, 2011, Metropolitan Telecommunications of Missouri, Inc. ("the Company") filed tariff revisions that were assigned the tariff tracking number JC-2011-0481, to revise its Intrastate Switched Access Rates.

2. Pursuant to AT&T's Motion to suspend the tariff filing, the filing was suspended on April 25, 2011. On May 4, the Company withdrew the con-compliant language and made a corrected filing. Subsequently, AT&T withdrew its Motion.

3. Having reviewed the filing, as described in the attached Memorandum, the Staff now recommends that the tariff filing be approved by the Commission at the earliest possible date.

WHEREFORE, the Staff respectfully requests that the Commission approve the tariff filing referred to as JC-2011-0481.

MEMORANDUM

To: Missouri Public Service Commission Official Case File
Tariff File No. JC-2011-0481
Case No. TT-2011-0344

From: William Voight
Supervisor, Rates and Tariffs
Telecommunications Department

Subject: Staff's Recommendation to Approve Tariff Sheets of
Metropolitan Telecommunications of Missouri, Inc. and to
Cancel the May 19th pre-hearing conference.

Date: May 5, 2011

On March 25, 2011, Metropolitan Telecommunications of Missouri, Inc. (Metropolitan) filed tariff sheets to make revisions to its Missouri P.S.C. Mo. No. 4 Access Tariff. On April 19th, AT&T Companies filed a motion to suspend upon which the Commission suspended the tariff sheet effective date and ordered a pre-hearing conference be held on May 19th.

On May 4th, Metropolitan withdrew the potential offending tariff sheets and made further tariff sheet substitutions satisfying an additional rate cap concern of the Telecommunications Department Staff (Staff). Later that same day, the AT&T Companies withdrew its objection to the filing. Staff wishes to note that Metropolitan is current in all its Commission submissions. Staff has further examined Metropolitan's instant filing and Staff notes nothing further to bring to the Commission's attention.

Given that Staff's concerns were satisfied and that AT&T has withdrawn its objections, the Staff now recommends the Commission approve Metropolitan's tariff proposal and cancel the May 19th pre-hearing conference.
