We're Sage Telecom, and we're here to give you something you may never have had before: the chance to choose your local telephone company.

Who is Sage? Sage Telecom is a new kind of phone company, formed by people with years of experience in telecommunications and certified by the Missouri Public Service Commission to provide local telephone service throughout the state. We serve over 500,000 residential and small business customers

Why switch to Sage? It's simply about savings on a local service plan that's just right for you. With our Simply Savings plan, each month you get UNLIMITED local calling, 100 FREE Sage long distance minutes plus FREE Caller ID. With Simply Savings Plus, you get all the above and even MORE free long distance minutes: 250 FREE minutes every month plus Call Waiting and your choice of a third FREE calling feature! Extra long distance calls with either plan are only 5 cents a minute.

Your telephone number
won't change.

What's so different about Sage? How

about local telephone service combined with FREE long distance minutes every month? How about FREE optional Calling Features like Caller ID, Call Waiting and more? How about the option of FREE Voice Mail? Sage Telecom combines them all—all in ONE simple monthly bill with ONE lower payment.

over 200,000 residential and small business customers

throughout the country. We're the alternative to the Bell® monopoly, and we're here to offer better value on all your telephone services.

It costs **nothing** to switch to Sage Telecom.

Switching to Sage is free and easy—it takes just a few minutes on the telephone. Just call us during regular business hours Monday–Saturday and we'll take care of everything. There's no monthly service charge, no contract to sign, no hidden fees.

About the only change you'll notice is a lower telephone bill every month. So call us today, switch and start saving.

More savings!*

Dear Sage,
I just want to drop a line to tell you how happy I am that I have switched to Sage Telecom for my local and long distance service. I've always been pleased to change my old land and true SPRINT local service, especially if I had to change my old land and true SPRINT local service. Switching to Sage was easy and one of the best decisions I have made in years—because everything you advertises is true.

- Free Long Distance Minutes. SAVED MONEY!
- Local Phone Service Free. SAVED MONEY!
- No Minimum Service Fee. SAVED MONEY!
- Keep my Same Telephone Bill. GREAT! I can actually see that I am already spreading the good word to my family and friends about the simple, easy to read telephone bill.
- Simple, easy to read telephone bill. GREAT! I can actually see that I am already spreading the good word to my family and friends about the simple, easy to read telephone bill.

Thank you Sage,
John C.
