ORDER APPROVING ADOPTION OF AMENDMENTS TO INTERCONNECTION AGREEMENT

Issue Date: June 7, 2018

Effective Date: June 17, 2018

This order approves the adoption by Southwestern Bell Telephone Company, d/b/a AT&T Missouri (AT&T Missouri) and YMax Communications Corp. (YMax) of an amendment to an interconnection agreement previously approved by the Commission.

Procedural History

On April 26, 2018, AT&T Missouri filed a letter notifying the Commission of AT&T Missouri and YMax's desire to adopt previously-approved amendments to the interconnection agreement between Peerless Network of Missouri, LLC and AT&T Missouri, approved by the Commission in File No. IK-2017-0054 on September 22, 2016.

On May 1, 2018, the Commission issued an order directing notice of the adoption to all interexchange and local exchange telecommunication companies and making YMax a party. The notice stated that any party wishing to request a hearing should do so no later than May 15, 2018. No requests for hearing were filed.

On May 24, 2018, the Staff of the Missouri Public Service Commission recommended that the Commission approve the application.

Findings of Fact

After reviewing the file, the Commission finds that AT&T Missouri and YMax intend to adopt the same terms and conditions of the amendments to the interconnection agreement between Peerless Network of Missouri, LLC and AT&T Missouri, approved by the Commission in File No. IK-2017-0054, on September 22, 2016. No objections have been received.

Amendment Procedure

The Commission has a duty to review all resale and interconnection agreements, whether arrived at through negotiation or arbitration, as mandated by the Act.¹ In order for the Commission's role of review and approval to be effective, the Commission must also review and approve or recognize amendments to these agreements. The Commission has a further duty to make a copy of every resale and interconnection agreement available for public inspection.²

The parties to each resale or interconnection agreement must maintain a complete and current copy of the agreement, together with all amendments, in the Commission's offices. Any proposed amendment must be submitted pursuant to Commission rules 4 CSR 240-28.020 and 4 CSR 240-28.080.

Conclusions of Law

The adoption of the terms and conditions of a previously approved interconnection agreement is authorized by Section 252(i) of the federal Telecommunications Act of 1996.³ Section 252(i) states:

¹ 47 U.S.C. § 252.

² 47 U.S.C. § 252(h).

³ See 47 U.S.C. § 251, *et seq.*

(i) Availability to Other Telecommunications Carriers. –

A local exchange carrier shall make available any interconnection, services, or network element provided under an agreement approved under this section to which it is a party to any other requesting telecommunications carrier upon the same terms and conditions as those provided in the agreement.

Commission rule 4 CSR 240-28.080 allows the Commission to approve the adoption or amendment of previously approved interconnection agreements.

THE COMMISSION ORDERS THAT:

1. YMax Communications Corp.'s adoption of the terms and conditions contained in the amendments of the interconnection agreement between Peerless Network of Missouri, LLC and AT&T Missouri, pursuant to Section 252(i) of the Telecommunications Act of 1996, is approved.

2. Any changes or amendments to this agreement shall be submitted in compliance with 4 CSR 240-28.020 and 4 CSR 240-28.080.

3. This order shall become effective on June 17, 2018.

4. This file may be closed on June 18, 2018.
