Re: File number WM-2011-0030

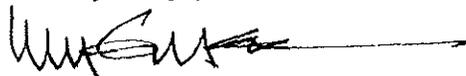

Dear Mr. Reed:

Please forward this communication to the appropriate staff member who will be responding to the commission request for a report on the status of the transaction that was the subject of the above application.

The purchase contract required that the seller obtain approval from Missouri DNR of corrective measures on a Notice of Violation prior to the closing. It is my understanding that a contract has been issued for the repairs. The tentative closing is set for June 28, 2011.

If you need further information, please let me know.

Very truly yours,

Wm. G. McCaffree
Attorney for the City of
Lexington, Missouri
