3. The italicized sentence is actually in reference to KCPL's next rate case, Case No. ER-2007-0291.

4. The citation provided in the footnote at the end of the sentence, refers to Case No. ER-2007-0291, but undersigned counsel mistakenly placed the sentence in a paragraph discussing Case No. ER-2006-0314.

5. The next paragraph, beginning on page 9, should be corrected to include the sentence as follows:

Therefore, in KCPL's next rate case, Case No. ER-2007-0291, the Commission again reduced the magnitude of the discount of the 1LGAE rate compared to the comparable general service rate,⁴ and explicitly adopted Staff's recommended phase-out of the discounted 1LGAE rate.⁵ *The Commission devoted fifteen pages of its Report and Order in ER-2007-0291 to the all-electric and separately-metered space heating issues.*⁶ The Commission found that "[a]llowing even more customers to use those discounts flies in the face of a possible move, supported by Staff, towards eliminating them completely."⁷ In so doing, the Commission ordered that the "availability of KCPL's general service all-electric tariffs and separately-metered space heating rates should be restricted to those qualifying customers' commercial and industrial physical locations being served under such all-electric tariffs or separately metered space heating rates as of the date used for the billing determinants used in this case,⁸ and such rates should only be available to such customers for so long as they continuously remain on that rate schedule (*i.e.*, the all-electric or separately metered space heating rate schedule they are on as of such date)."⁹ As a consequence, the 1LGAE tariff sheet ultimately effectuating rates was denominated "Frozen."¹⁰

WHEREFORE, the Staff submits its *Correction to Staff's Post Hearing Brief*.
