ORDER GRANTING EXTENSION

Issue Date: June 29, 2020

Effective Date: June 29, 2020

On March 11, 2020, Confluence Rivers Utility Operating Company, Inc., applied for authority to acquire sewer and water utility assets in transactions with various entities. On April 30, 2020, the Commission directed the Commission's Staff to file its recommendation on Confluence Rivers' application no later than June 30, 2020. On June 26, 2020, Staff filed a motion to extend the deadline for Staff's recommendation to July 17, 2020. Staff advises responses to some pending data requests to Confluence Rivers are not due until after June 30, 2020. Staff indicates its request for an extension takes into consideration some delay due to observance of the Fourth of July holiday.

The Commission finds Staff's request for additional time to be reasonable and will grant the request.

THE COMMISSION ORDERS THAT:

1. The Commission's Staff shall file a recommendation regarding Confluence Rivers' application no later than July 17, 2020.
2. This order shall be effective when issued.
