ORDER DIRECTING FILING

Issue Date: July 21, 2006

Effective Date: July 21, 2006

On June 5, 2006, Frimel Water System, Inc., and Lake Lorraine Property Owners' Association filed a joint petition with the Missouri Public Service Commission seeking authority to transfer the assets of Frimel Water System, Inc., to Lake Lorraine Property Owners' Association, and to cease Frimel's operations. The Commission directed notice, set an intervention schedule, and ordered a preliminary response from Staff.

On July 10, 2006, the Staff filed its preliminary response indicating that it identified issues that need to be resolved with the applicants. Staff stated that it was involved in discussions with the Joint Applicants to resolve those issues and requested sixty (60) days to file its Memorandum and Recommendation.

Pursuant to 4 CSR 240-2.080(15), the Commission allowed ten days for any party to respond to Staff's request. No party has opposed Staff's request and the Commission will grant the request.

IT IS ORDERED THAT:

1. No later than September 8, 2006, the Staff of the Missouri Public Service Commission shall file its Memorandum and Recommendation.
2. This order shall become effective on July 21, 2006.
