RE: Water Utility Small Company Rate Increase Request
MO PSC Case No. WM-2009-0436

Dear Secretary:

Enclosed for filing with the Commission are an original and three copies of revised tariff sheets that include rate and language changes reflected in an Agreement Regarding Disposition of Asset Transfer Case (Stipulation and Agreement) between the Whispering Hills Water System (Company), the Commission Staff (Staff) and the Office of the Public Counsel (OPC) regarding the above-referenced small company rate increase request. The Company was authorized by the Commission on August 5, 2009, to file tariffs in compliance with the Unanimous Stipulation and Agreement filed in this case.

Since the above-referenced Stipulation and Agreement is between the Company, the Staff and the OPC, the enclosed tariff sheets bear an effective date that is at least 30 days from the issue date, as is provided for by the small company rate increase procedure.

Consistent with the above-referenced Stipulation and Agreement, the enclosed revised tariff sheets contain customer rates that are intended to produce an increase of \$5,942 in the Company's annual water system operating revenues, and also contain all other provisions necessary to implement the terms of the Stipulation and Agreement.

Please contact me at your convenience if you need anything further regarding this matter.

Sincerely,

Rodger Owens
Owner
