**ORDER SETTING TIME FOR OBJECTIONS TO MAKING PORTIONS OF
THE TRANSCRIPT (VOLUME 3) PUBLIC AND SETTING DEADLINE
FOR THE FILING OF LATE-FILED EXHIBIT 406**

Issue Date: September 25, 2019

Effective Date: September 25, 2019

On September 17, 2019, a hearing was held in this matter. A portion of the hearing was *in camera* and that volume of the official transcript has been marked “Confidential” in the Commission’s Electronic Filing and Information System (EFIS). In order to make as much of the testimony public as possible, the Regulatory Law Judge has redacted Volume 3 of the hearing transcript so that only the numbers remain confidential. The Commission will set a deadline for any objections to making the redacted version of Volume 3 public.

Additionally, the record was held open for post-hearing Exhibit 406, a letter regarding violations from the Missouri Department of Natural Resources. Unless there is an agreement of the parties to extend the briefing deadlines, the Commission will set a deadline by which Exhibit 406 must be filed. If not filed by that date, any request to file post-hearing evidence must be accompanied by a motion to reopen the record showing good cause to allow the additional evidence.

THE COMMISSION ORDERS THAT:

1. Any objections to the Commission making the attached redacted version of the Transcript, Volume 3 (*In Camera*), a public document, shall be filed no later than September 30, 2019.
2. Any exhibit, including post-hearing Exhibit 406, filed after September 30, 2019, must be accompanied by a motion to reopen the record.
