ORDER GRANTING EXTENSION OF TIME

Issue Date: May 16, 2022

Effective Date: May 16, 2022

On February 25, 2022, Missouri-American Water Company (MAWC) filed an application (Application) requesting Certificates of Convenience and Necessity for a water and sewer system in an area of Pettis County, Missouri (Monsees Lake Estates Subdivision).

The Commission directed a recommendation from the Staff of the Commission (Staff) due on April 25, 2022. On April 25, 2022, Staff filed a motion requesting a 45-day extension. Staff explained that its request is unopposed by MAWC or the Office of the Public Counsel, and that the extension is needed to address pending data requests and receipt and review of certain historical information. Based on counsel for Staff’s representation, the Commission will consider the extension request unopposed.

The Commission considers the unopposed request to be reasonable and will grant it.

THE COMMISSION ORDERS THAT:

1. Staff's request for an extension of time to file its recommendation regarding the Application is granted. Staff shall submit its recommendation, or a status report as to when its recommendation will be completed, no later than June 9, 2022.
2. This order shall be effective when issued.
