**COMES NOW** the Staff of the Missouri Public Service Commission (“Staff”), through Staff Counsel’s Office, and for its *Notice of Correction*, states as follows:

1. On February 25, 2022, Missouri American Water Company (“MAWC”) filed its *Application and Motion for Waiver* (“Application”) seeking a Certificate of Convenience and Necessity for a water and sewer system in an area of Pettis County, Missouri (Monsees Lake Estates Subdivision).

2. On June 9, 2022, Staff filed its *Staff Recommendation* to approve the Application subject to certain conditions.

3. The Commission directed responses due June 21, 2022.

4. On June 21, 2022, MAWC filed its response stating that it had no objections to the proposed recommendations and conditions.

5. The Office of Public Counsel (“OPC”) also filed a request for an extension to file its response on June 21, 2022. The Commission entered an *Order Granting Extension*, and ordered the OPC to respond, if it chose to do so, by June 28, 2022.

6. On page 18 of its Memorandum, under the Staff’s Recommendations section, Recommendation #2 should read, “Allow the Company to adopt the current water rate of the HOA at \$35.30,” to match the Staff’s finding set forth on page 11 of its *Memorandum*, under

the “Rate and Tariff Matters” subhead, which reads, “According to its Application, MAWC proposed adopting the current water and sewer rates the HOA has been charging its residents of \$35.30 per month for water and \$58.00 per month for sewer, for a total of \$93.30 per month.”

**WHEREFORE**, Staff respectfully submits its *Notice of Correction*.

Respectfully submitted,
