**ORDER DIRECTING RESPONSES TO STAFF'S REQUESTED  
EXTENSION OF 90 DAYS**

Issue Date: June 24, 2022

Effective Date: June 24, 2022

On May 10, 2022, Missouri-American Water Company (MAWC) filed an application that seeks permission and approval for a certificate of convenience and necessity (CCN) to acquire a water system and sewer system in and around the City of Stewartsville, Missouri, (Stewartsville System) located in DeKalb and Clinton Counties. The Staff of the Commission (Staff) was directed to produce a recommendation, or request an extension of time, on or before June 27, 2022.

On June 24, 2022, Staff filed a request for an extension of time to file its recommendation. Staff requests an extension of 90 days. In support of its request, Staff states it received numerous data request responses this week, and additional time is needed to review those responses and compile plant calculations. Staff also states it may need to issue further data requests. Staff states it will file its recommendation earlier than the 90 day extension, if possible.

The Commission will set a time for responses to Staff's request to extend the due date of its recommendation 90 days, to September 26, 2022.<sup>1</sup>

**THE COMMISSION ORDERS THAT:**

1. No party or entity is required to respond; however, any party or entity that wishes to respond to Staff's requested extension shall do so on or before July 8, 2022.
2. This order shall be effective when issued.
