OF THE STATE OF MISSOURI

In the Matter of White River Valley Water Company)
for Sale of Facilities and Assets to Public Water)
Supply District No. 2 of Taney County, Missouri.) **Case No. WM-2006-0557**

ORDER DIRECTING FILING

Issue Date: October 6, 2006

Effective Date: October 6, 2006

On June 30, 2006, White River Valley Water Company filed an application with the Missouri Public Service Commission requesting authority to sell its sewer/treatment facility to the Public Water Supply District No. 2 of Taney County, Missouri (the Water District). On July 3, 2006, the Commission issued an order directing notice, adding the Water District as a party, and requiring that any party wishing to request a hearing or to intervene do so on or before July 24, 2006. There were no requests for a hearing or to intervene.

On September 22, 2006, the Commission Staff filed a Motion for Order Directing Filing and for Extension of Time to File Recommendation. In support of its motion, Staff advised the Commission of deficiencies in White River's application that prevented Staff from completing its review and recommendation in this case. Staff further stated that it could complete its review and file a recommendation within thirty days of White River curing the deficiencies in the application.

The Commission issued a Notice of Deficiency in Application on September 26, 2006. On September 28, 2006, White River filed documents which appear to cure the deficiencies in its application.

This order directs the Staff to file either its recommendation or a status report advising the Commission of a date certain that Staff will file a recommendation in this matter.

IT IS ORDERED THAT:

1. The Staff of the Commission shall file its recommendation or a status report no later than October 30, 2006.
2. This order shall become effective on October 6, 2006.
