Case No. WM-2006-0459

**REPORT TO PUBLIC SERVICE COMMISSION ON THE DISTRIBUTION
OF THE ASSETS OF FRIMEL WATER SYSTEM, INC.**

Applicant Lake Lorraine Property Owners' Association files this status report with the Commission, concerning the termination of Frimel Water System, Inc. and the distribution of its assets:

1. Lake Lorraine Property Owners' Association is in possession of the assets of Frimel Water System, Inc.
2. A Bill of Sale from Frimel Water System, Inc. to Lake Lorraine Property Owners' Association has been exchanged.
3. The Articles of Dissolution of Frimel Water System, Inc. have been filed with the Secretary of State.
4. In order to file Request for Termination with the Secretary of State, a Tax Clearance must be obtained. Lake Lorraine only having recently purchased Frimel Water System, Inc., and not familiar with all the corporate and tax history, the information for the Tax Clearance Letter Application has been difficult to accumulate. Lake Lorraine is in that process now, and hopes to shortly be able to complete the application for the Tax Clearance Letter and dutifully file the Request for Termination.
5. The Public Service Commission will be favored with a copy of the as-accepted Request for Termination, when it is released by the Secretary of State.

6. It is anticipated that these steps will all be completed within thirty (30) days.
