JOINT STATUS REPORT

COMES NOW the Staff of the Missouri Public Service Commission, on behalf of Confluence Rivers Utility Operating Company, Inc. (Confluence Rivers), Terre du Lac Utilities Corporation (TDL), and the Office of the Public Counsel, and by and through counsel and states:

1. On December 4, 2020, Confluence Rivers, filed a *Motion to Suspend Testimony Filings* stating that new developments in the matter made it such that filing direct testimony was an unnecessary expense of resources. It further suggested that the Commission direct the parties to file a status report by December 11, 2020. The Commission issued an order suspending the due date of the direct testimony and ordering the parties to file a status report no later than December 11, 2020.

2. Confluence Rivers has represented to the parties that TDL and itself have executed an amendment to the Purchase and Sale Agreement concerning the purchase of the TDL systems such that Confluence Rivers will amend or supplement its application to withdraw Confluence Rivers' request for acquisition incentives in this case.

WHEREFORE, Staff prays that the Commission will accept this *Status Report*, and grant such other and further relief as is just in the circumstances.

Respectfully Submitted,

/s/ Whitney Payne
