**RE: Case No. GR-2001-382, Missouri Gas Energy**

Dear Mr. Roberts:

Enclosed for filing are an original and three copies of P.S.C. MO. No. 1, Third Revised Sheet No. 24.32, canceling Second Revised Sheet No. 24.32. This tariff sheet bears an issue date of February 13, 2001, and a proposed effective date of March 1, 2001. By this filing MGE proposes to make a second unscheduled winter adjustment to the Purchased Gas Adjustment (PGA) Rate under authority requested pursuant to the Motion for Waiver filed by MGE concurrently herewith. MGE is proposing to adjust the Current Cost of Gas Factor (C.C.G.).

The new PGA Rate proposed in this filing is \$0.79337 per Ccf; the PGA Rate currently in effect is \$0.98161. The proposed change in the PGA Rate reflects a decrease of \$0.18824 per Ccf. The proposed adjustment to the PGA Rate has the net effect of decreasing PGA revenues in MGE's service area by approximately \$126,142,128 annually. This represents an overall 19.18% decrease in PGA revenues.

Workpapers supporting the calculations performed in developing the proposed changes have been provided this date under separate cover letter to the Commission's staff and the Office of the Public Counsel.

Please forward copies of any commission order or notice associated with this filing to:
