Attn: Regulatory Utility Assessment Coordinator

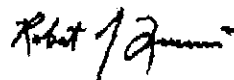

Dear Sir or Madam:

On February 14, 2003 a letter and a Statement of Revenue form were mailed to you requesting a report of your company's calendar year 2002 gross intrastate operating revenue to the Missouri Public Service Commission by March 31, 2003. As of this date, we have not received your 2002 Statement of Revenue. Gross intrastate operating revenue is to be reported in compliance with the provision of Section 386.370 RSMo.

Please report, to the nearest dollar, gross intrastate operating revenue for the 2002 calendar year on the enclosed Statement of Revenue form. Forward one notarized copy of the form to the Internal Accounting Department at the address indicated on the form by May 5, 2003. Retain one copy for your files. You may print a copy of the Statement of Revenue form from the Missouri Public Service Commission website at [www.psc.state.mo.us](http://www.psc.state.mo.us). It is located under the "Forms" icon.

If your company had no gross intrastate operating revenue for calendar year 2002, please indicate such on the Statement of Revenue form and return it to us. If you own or operate more than one company, a Statement of Revenue form must be submitted for each company. If you do not complete and return a Statement of Revenue form, your company's operating revenue will be estimated, and your assessment will be calculated based upon this estimated gross figure. If your company no longer does business in Missouri and you wish to cancel your certificate, please contact the General Counsel's Office, Missouri Public Service Commission; P.O. Box 360; Jefferson City, Missouri 65102, for instruction on how to cancel your company's Missouri certificate. If you have any questions regarding the Statement of Revenue form, please call the Internal Accounting Department (573)751-4274.

Sincerely,

Robert J. Quinn, Jr.  
Executive Director
