MOTION FOR AN ENLARGEMENT OF TIME TO FILE STAFF RECOMMENDATION

COMES NOW the Staff of the Missouri Public Service Commission (Staff), through counsel, and moves for an enlargement of time to October 27, 2022 to file its Staff recommendation in this matter.

1. 188 North Summit, LLC (188NS) and Seges Utility Company, LLC (Seges) filed a *Joint Application and Motion for Waiver* on August 10, 2022, requesting that the Commission authorize 188NS to sell and Seges to acquire the water and sewer assets in Callaway County, Missouri currently owned by 188NS. Additionally, Seges requests that the Commission transfer to it 188NS's certificates of convenience and necessity (CCNs), which would permit Seges to provide service to the public. In the alternative, Seges requests that the Commission issue it new CCNs.

2. The Commission issued its *Order Directing Notice, Setting Deadline for Intervention Requests, and Directing Staff Recommendation* (Order) on August 15, 2022 ordering that Staff shall file a recommendation regarding the parties' application by September 29, 2022.

3. Staff requests an enlargement of time to October 27, 2022 to file its recommendation.

4. The undersigned counsel emailed with counsel for the parties and the Office of the Public Counsel asking whether they object to this request. These counsel stated that they do not oppose this request.

WHEREFORE, Staff requests that the Commission grant Staff's motion and order a new recommendation due date of October 27, 2022.

Respectfully submitted,
