STATUS REPORT

COMES NOW the Staff of the Missouri Public Service Commission ("Staff"), by and through counsel, as directed by the Commission's *Order Directing Staff to File Monthly Status Reports*, and submits the following report:

This report covers the period of September 1, 2008 to September 30, 2008 and serves as the "monthly status report" for that period. Staff will continue to file these reports on or around the last working day of each month unless directed to do otherwise.

During this period, the person undertaking the task of organizing the proposed utility entity, which will operate in conjunction with the Black Oak Mountain Resort Property Owners Association and its financing, sent to the Staff preliminary drafts of by-laws and articles of incorporation for the proposed utility. The Staff will provide comments back as soon as possible, likely within a few days. Other board members will also need to provide input before these documents are finalized.

WHEREFORE, Staff submits this Status Report for the Commission's information.

Respectfully Submitted,
