**ORDER DIRECTING NOTICE AND SETTING INTERVENTION DATE**

Issue Date: February 1, 2008

Effective Date: February 1, 2008

This order provides notice of the application to establish an Infrastructure System Replacement Surcharge (ISRS) filed by Missouri-American Company. This order also sets an intervention deadline.

On January 29, 2008, MAWC filed an application with the Missouri Public Service Commission under Sections 393.1000, 393.1003 and 393.1006, RSMo Cum. Supp. 2007, requesting that the Commission authorize the company to establish an Infrastructure System Replacement Surcharge for numerous water plant projects. Section 393.1006.2(3) requires the Commission to act on the application no later than 120 days after it was filed. That means that the Commission must issue an order regarding the application effective no later than May 28, 2008. MAWC also filed a tariff that will implement the surcharge. With a separate order, the Commission has suspended that tariff.

Section 393.1006.1.(2) and Commission Rule 4 CSR 240-3.650(7) require that the Commission publish notice of MAWC's filing. Therefore, notice of this application shall be made to the general public and those who may be interested, and a date set for intervention requests.

The Commission will require that its Data Center mail a copy of this notice to the St. Louis County Commission. Also, the Commission's Public Information Office shall make notice of this order available to the media serving St. Louis County and to the members of the General Assembly representing St. Louis County.
