ORDER ESTABLISHING TIME TO RESPOND TO STAFF'S RECOMMENDATION

Issue Date: February 18, 2011

Effective Date: February 18, 2011

On December 22, 2010, Missouri-American Water Company filed a petition to change its Infrastructure System Replacement Surcharge (ISRS) rate schedule to recover ISRS-eligible costs. Missouri-American filed a tariff to implement its ISRS rate adjustment along with its petition and the Commission has suspended that tariff until April 21, 2011. On February 18, the Commission's Staff recommended that the amount Missouri-American should be allowed to recover through its ISRS be reduced from \$4,349,656, to \$3,624,121.

The Commission must finally resolve Missouri-American's ISRS petition by April 21, so it will require Missouri-American and any other interested parties to respond promptly to Staff's recommendation.

THE COMMISSION ORDERS THAT:

1. Any party wishing to respond to Staff's Recommendation shall do so no later than February 25, 2011.

2. This order shall become effective on February 18, 2011.
