NOTICE OF TRANSFER OF ASSETS AND
MOTION FOR EXPEDITED TREATMENT
OF ADOPTION TARIFFS

COMES NOW Missouri-American Water Company (MAWC) and for its Notice of Transfer of Assets and Motion for Expedited Treatment of Adoption Tariffs states as follows:

1. In its May 7, 2011 Order Granting Applications (Order), the Missouri Public Service Commission ordered MAWC to comply with the Unanimous Stipulation and Agreement (Stipulation) entered into by and among Roark Water & Sewer, Inc.(Roark), MAWC, the Staff of the Missouri Public Service Commission, and the Office of Public Counsel. Among other things, The approved Stipulation required that MAWC “shall be authorized to file revised tariff sheets in the current Roark water and sewer tariffs containing new CIAC fees totaling \$2,450 per customer applicable to the next 300 new customers in Forest Lake subdivision, to expire twenty (20) years after the effective date of the revised tariff sheets.” (Stipulation, paragraph 3)
2. The Order requires MAWC to “notify the Commission within five (5) business days after the subject assets have been transferred from Roark to MAWC.”
3. MAWC hereby notifies the Commission that the assets were transferred on July 29, 2011.

4. The Order also states that MAWC shall, “within five (5) business days after the subject assets have been transferred, adopt Roark Water & Sewer, Inc.’s currently approved tariffs by filing an adoption notice for each of those tariffs.

5. Contemporaneously herewith, MAWC is filing the adoption notices, as well as the tariff sheets consistent with the approved Stipulation, with issue dates of August 2, 2011. Copies of these sheets are attached as Exhibits to this motion.

6. A tariff generally becomes effective 30 days after date of issue. 4 CSR 240-2.065(2). MAWC is seeking expedited treatment for the approval of the amended tariff within 10 days, that is, August 12, 2011. There will be no negative effect on MAWC’s new customers formerly served by Roark, or on the general public, if the Commission acts by August 12, 2011.

7. This Motion for Expedited Treatment was filed as soon as it could have been – within two business days of the date that the assets of Roark were transferred to MAWC, per the Commission’s Order that the adoption notices be filed “within five (5) business days after the subject assets have been transferred.”

WHEREFORE, MAWC prays that the Commission issue its order approving the adoption notices and referenced tariff sheets by August 12, 2011, and grant any and all other appropriate relief.

Respectfully submitted,
