Re: Total Communication Services, Inc. ("Company")

Dear Helen:

Thanks for your fax. As a follow up to our telephone conversations regarding decertification of the Company, enclosed please find (1) a Statement of Revenue FY-2002 for operating revenue in Missouri for the calendar year 2000; and (2) a check in the amount of \$575.91 for the assessment for FY2003.

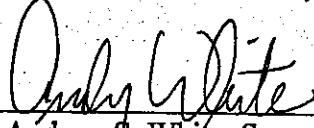

The Company was not active in Missouri during calendar year 2000 and has no revenues to report, as noted on the Statement of Revenue.

With the enclosed payment, I understand that we are current on all assessment requirements. Please let me know if that is not correct.

By this letter, I'm also requesting on behalf of the Company that we relinquish our certification as an interexchange telecommunications carrier to provide telecommunications services in Missouri. Please let me know if there are any other steps the Company needs to take in this regard.

Thank you for all your help in this regard. I hope you will contact me directly either by telephone ((512) 404-7723), fax ((512) 320-5638) or email (awhite@bickerstaff.com) if you have any questions or comments, or if we may provide further information to you to facilitate our request.

Sincerely,
Total Communication Services, Inc.

Re: Total Communication Services, Inc. ("Company")

Ladies and Gentlemen:

Reference is made to your letter of June 25, 2004 regarding an annual assessment for 2004, a copy of which is attached.

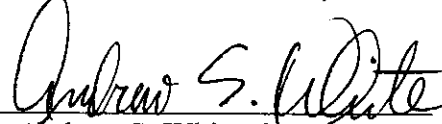

Please be advised that (1) pursuant to previous telephone and written correspondence with Helen Davis in your office, the Company has relinquished its certification as an interexchange telecommunications carrier to provide telecommunications services in Missouri; (2) in connection with this relinquishment and pursuant to correspondence from the Missouri Department of Revenue dated March 29, 2004, the Department confirmed that the Company had no delinquencies or outstanding obligations regarding filing of required franchise tax reports or related payments; (3) pursuant to a certificate of withdrawal issued by the Missouri Secretary of State dated April 19, 2004, the Company has withdrawn from Missouri; (4) the Company did not conduct business in Missouri during calendar year 2003; and (5) the Company ceased doing business in all jurisdictions during calendar year 2003 and is no longer an operating concern.

Accordingly, please adjust your records to show that no amounts are due and owing by the Company in Missouri. I'd appreciate your confirmation of this at your convenience.

Thank you for assistance. Please contact me directly either by telephone ((512) 404-7723), fax ((512) 320-5638) or email (awhite@bickerstaff.com) if you have any questions or comments, or if we may provide further information to you in this regard.

Sincerely,

Total Communication Services, Inc.
