ORDER SUSPENDING SCHEDULE

Issued: October 28, 2011

Effective: October 28, 2011

The Missouri Public Service Commission is granting the *Joint Motion to Stay Procedural Schedule* ("motion"). Staff filed the motion on October 28, 2011 on behalf of itself and Eric C. Larson. In support of the motion, Staff cites the order dated October 25, 2011. In that order, the Commission cancelled the evidentiary hearing and directed the filing of a status report. Also, Staff represents that Mr. Larson agrees with the motion and that efforts to contact Woodland Manor Water Company, LLC, have been futile. On those representations, the Commission will grant the motion.

THE COMMISSION ORDERS THAT:

1. The *Joint Motion to Stay Procedural Schedule* is granted.
2. The procedural schedule is suspended.

3. This order shall be effective immediately upon issuance.
