CASE NO. WC-2006-0363

I would like to apologize for the mistake of not getting the proper Sales Agreement from the Missouri Public Service Commission. Under the circumstances of trying to get water and sewer service to the Melody Lake home owners and be able to pay the bills to keep operating after the death of Harold Horsley in 2002, it was overlooked on my part and, I presume also, by our attorney.

Therefore, after the meeting in Jefferson City and the Sales Agreement you received this week, I think the complaint has been handled.

If you wish to discuss this further, please let me know.
