ORDER GRANTING EXTENSION OF TIME

Issue Date: August 1, 2006

Effective Date: August 1, 2006

On July 28, 2006, the Missouri Public Service Commission ordered its Staff to conduct a two-part investigation into the alleged questionable business practices of Respondent. The results of the first part of the investigation were required to be filed with the Commission on or before August 1, 2006. The results of the second part of the investigation were required to be filed with the Commission on or before August 31, 2006.

On July 31, 2006, Staff filed a motion requesting until August 16th to file the results of the first part of its investigation. The Staff explained the additional time was required due to the death of the husband of Respondent's office manager. The office manager maintains the records required for the investigation and is not available at this time.

The motion for extension of time is reasonable and will be granted.

IT IS ORDERED THAT:

1. The Staff's Request for Extension of Time is granted.
2. The Staff shall file the first part of the investigation requested by the Commission in its July 28, 2006 Order on or before August 16, 2006.
3. This order shall become effective on August 1, 2006.
