COMPLAINANT'S RESPONSE TO RESPONDENT'S DATA REQUESTS

Comes now Cindy Fortney, and her answer to Respondent's request for data.

1. I object to the Respondent's request for data, and will not be answering any of the questions, for the following reasons:
 - a. Some questions are personal and irrelevant to the case.
 - b. The questions that are relevant have already been answered in my Formal Complaint filed with the Public Service Commission.
 - c. I am seeking further legal advice.

Respectfully submitted,

Cindy Fortney
