warranty is made solely as of the date hereof or as of another date earlier than the Closing Date, which shall be accurate as of such date);

(c) Covenants. Seller shall have performed, observed and complied in all material respects with all of its obligations, covenants, undertakings and agreements contained in this Agreement or any Transaction Document and required to be performed, observed or complied with by Seller prior to or at the Closing;

No provision of any Law or Order shall be in effect, and no Proceeding by any Person shall be threatened or pending before any Governmental Authority, or before any arbitrator, which would: (i) prevent consummation of the Contemplated Transactions; (ii) have a likelihood of causing the Contemplated Transactions to be rescinded following consummation; (iii) adversely affect the right of Missouri-American to own any of the Acquired Assets; or (iv) adversely affect the System prospects or the value or condition of any of the Acquired Assets or the System;

(f) Closing Deliveries. Seller shall have delivered or caused to be delivered to Missouri-American each of the items set forth in Section 2.5(a);

(h) Due Diligence. Missouri-American shall have completed and be satisfied, in its sole and absolute discretion, with the results of its due diligence review of the Acquired Assets and Seller, including without limitation, with the results of any Phase I Environmental Site Assessment or other environmental assessment performed with respect to the Real Property or the Acquired Assets or chain of title search, all easements related to or necessary for access to or use of the System, all material contracts and operating permits and licenses of the System, and the Seller's operations, contracts, employment practices, compliance, accounting and other items as Missouri-American deems necessary, as each of the foregoing items relate to the System or the Acquired Assets; and

(i) No Material Adverse Effect. Missouri-American shall have determined that there shall not have occurred any event or circumstance which, individually or in the aggregate, has had or could reasonably be expected to have a Material Adverse Effect.

5.2 Conditions Precedent to Obligations of Seller. Seller's obligation to consummate the Contemplated Transactions is subject to the satisfaction in full, unless expressly waived in writing by Seller, of each of the following conditions:

(a) Representations and Warranties. Each of the representations and warranties of Missouri-American contained in this Agreement or in any Transaction Document shall have been true, correct and accurate in all respects on and as of the date hereof and shall also be true, correct and accurate in all material respects (other than representations and warranties qualified as to materiality, which shall have been true, correct and accurate in all respects) on and as of the Closing Date with the same force and effect as though made by Missouri-American on and as of the Closing Date (except to the extent that any such representation or warranty is made solely as of the date hereof or as of another date earlier than the Closing Date, which shall be accurate as of such date);

ARTICLE 6 Covenants and Special Agreements

6.1 Access to Information; Confidentiality

(a) Access. Between the date of this Agreement and the Closing Date, Missouri-American may, directly and through its representatives, make such confirmatory investigation of the System and the Acquired Assets as each deems necessary or advisable. In furtherance of the foregoing, Missouri-American and its representatives shall have reasonable access, upon reasonable notice during normal business hours, to all employees, properties, books, Contracts, customer lists, commitments and records of the Business, and Seller shall furnish and cause to be furnished to Missouri-American and its representatives such financial and operating data and other information as may from time to time be reasonably requested relating to the System, shall permit Missouri-American or its representatives to conduct such physical inspections and environmental audits of the Real Property as requested by Missouri-American and shall permit Missouri-American or its representatives to conduct interviews of employees of or servicing the Business. Seller and the management, employees, accountants and attorneys of or servicing the Business shall cooperate fully with Missouri-American and its representatives in connection with such investigation.

(b) Confidentiality.

(i) Prior to Closing (and, in the case of Seller, following Closing), each Party shall ensure that all Confidential Information which such Party or any of its respective officers, directors, employees, counsel, agents, or accountants may have obtained, or may hereafter obtain, from the other Party (or create using any such information) relating to the financial condition, results of operations, System,

properties, assets, Liabilities or future prospects of the other Party, any Related Person of the other Party or any customer or supplier of such other Party or any such Related Person shall not be published, disclosed or made accessible by any of them to any other Person at any time or used by any of them, in each case without the prior written Consent of the other Party; provided, however, that the restrictions of this sentence shall not apply (i) as may otherwise be required by Law, (ii) to the extent such Confidential Information shall have otherwise become publicly available, and (iii) as to Missouri-American, to disclosure by or on its behalf to regulatory authorities or other third parties whose Consent or approval may be required to consummate the Contemplated Transactions and to its lenders and professionals for the purpose of obtaining financing of such transactions.

(ii) In the event of termination of negotiations or failure of the Contemplated Transactions to close for any reason whatsoever, each Party promptly will destroy or deliver to the other Party and will not retain any documents, work papers and other material (and any reproductions thereof) obtained by each Party or on its behalf from such other Party or its subsidiaries as a result of this proposal or in connection therewith, whether so obtained before or after the execution hereof, and will not use any information so obtained and will cause any information so obtained to be kept confidential and not used in any way detrimental to such other Party.

6.2 Publicity; Announcements. Until after the Closing, no press release or other public statement concerning this Agreement or the transactions contemplated hereby shall be issued or made without the prior approval of the parties hereto, except as required by applicable law. After the Closing, no press release or other public statement concerning this Agreement or the transactions contemplated hereby shall be issued or made by Seller without the prior approval of Missouri-American, except as required by applicable law.

6.3 Cooperation. Subject to the terms and conditions of this Agreement, the Parties shall cooperate fully with each other and their respective counsel and accountants in connection with, and take or cause to be taken and do or cause to be done, any actions required to be taken under applicable Law to make effective the Contemplated Transactions as promptly as practicable. Prior to the Closing, the parties shall proceed expeditiously and in good faith to make such filings and take such other actions as may be reasonably necessary to satisfy the conditions to Closing set forth in Section 5.1(g). Any and all filing fees in respect of such filings shall be paid by Missouri-American. From and after the Closing, the parties shall do such acts and execute such documents and instruments as may be reasonably required to make effective the transactions contemplated hereby. On or after the Closing Date, the parties shall, on request, cooperate with one another by furnishing any additional information, executing and delivering any additional documents and instruments, including contract assignments, and doing any and all such other things as may be reasonably required by the parties or their counsel to consummate or otherwise implement the transactions contemplated by this Agreement. Should Seller, in its reasonable discretion, determine after the Closing that books, records or other materials constituting Acquired Assets are still in the possession of Seller, Seller shall promptly deliver them to Missouri-American at no cost to Missouri-American. Seller hereby agrees to cooperate with Missouri-American to ensure a proper transition of all customers with respect to billing and customer service activities. Missouri-American shall take the lead in obtaining MoPSC approval with respect to the Contemplated Transactions. Seller will cause to be provided to Missouri-American copies of all easements related to the System which are in the possession of Seller, will execute a blanket easement assignment in form and substance reasonably acceptable to Missouri-American in connection with or following the Closing as requested by Missouri-American and will use commercially reasonable efforts to assist Missouri-American in obtaining any easements related to the System which are not transferred from Seller to Missouri-American and/or which are necessary in connection with the operation of the System.

6.4 Exclusivity. Seller will not and will not permit its affiliates, officers, directors, employees or other agents or representatives to, at any time prior to the termination of this Agreement, directly or indirectly, (i) take any action to solicit, initiate or encourage the making of any Acquisition Proposal, or (ii)

discuss or engage in negotiations concerning any Acquisition Proposal with, or further disclose any non-public information relating to Seller to, any person or entity in connection with an Acquisition Proposal, in each case, other than Missouri-American and its representatives.

6.5 No Inconsistent Action. Prior to the Closing Date, no Party shall take any action, and each Party will use its commercially reasonable efforts to prevent the occurrence of any event (but excluding events which occur in the Ordinary Course of Business and events over which such Party has no control), which would result in any of its representations, warranties or covenants contained in this Agreement or in any Transaction Document not to be true and correct, or not to be performed as contemplated, at and as of the time immediately after the occurrence of such action or event. If at any time prior to the Closing Date, a Party obtains knowledge of any facts, circumstances or situation which constitutes a breach, or will with the passage of time or the giving of notice constitute a breach, of any representation, warranty or covenant of such Party under this Agreement or any Transaction Document or will result in the failure of any of the conditions contained in Article 5 to be satisfied, such Party shall give the other Party prompt written notice thereof; provided, however, that no such notice shall cure any breach of any representation, warranty or covenant contained herein or therein or will relieve any such Party of any obligations hereunder or thereunder unless specifically agreed to in writing by the other Party.

6.6 Conduct of Business. Between the date of this Agreement and the Closing Date, Seller shall carry on the operation of the System, the Business and the Acquired Assets in the Ordinary Course of Business and in compliance with Law, not introduce any materially new method of management or operation, use reasonable best efforts to preserve the System, the Business and the Acquired Assets, conserve the goodwill and relationships of its customers, suppliers, Governmental Authorities and others having business relations with it, maintain in full force and effect all policies of insurance now in effect for the benefit of Seller, maintain supplies at a level which is sufficient to operate the System in accordance with past practice and maintain the Acquired Assets in substantially the condition currently existing, normal wear and tear excepted. By way of illustration and not limitation, Seller will not, between the date hereof and the Closing Date, directly or indirectly do, or prepare to do, any of the following without the prior written Consent of Missouri-American, (a) sell, lease, transfer or otherwise dispose of, or license, mortgage or otherwise encumber, or give a security interest in or subject to any Encumbrances, any of the Acquired Assets, (b) merge or consolidate with or acquire, or agree to merge or consolidate with or acquire (by merging or consolidating with, or by purchasing a substantial portion of the stock or assets of, or by any other manner), any business or corporation, partnership, joint venture, association or other business organization or division thereof or otherwise change the overall character of the Business in any material way, (c) enter into any Contract other than in the Ordinary Course of Business, (d) abandon, sell, license, transfer, convey, assign, fail to maintain or otherwise dispose of any item of the transferred intellectual property, (e) make any change in any of its present accounting methods and practices, (f) make any new Tax election, or change or revoke any existing Tax election, or settle or compromise any Tax liability or file any income Tax Return prior to the last day (including extensions) prescribed by Law, in the case of any of the foregoing, material to the business, financial condition or results of operations of Seller, (g) engage in any transactions with any Related Person which would survive Closing, (h) pay, discharge, settle or satisfy any material claims or Liabilities (absolute, accrued, asserted or unasserted, contingent or otherwise), other than the payment, discharge or satisfaction, in the Ordinary Course of Business or in accordance with their terms, of Liabilities reflected or reserved against in the Financial Statements (or the notes thereto), or not required by GAAP to be so reflected or reserved, or incurred in the Ordinary Course of Business, or waive any material benefits of, or agree to modify any material confidentiality, standstill, non-solicitation or similar agreement with respect to the Business to which Seller or any of its Affiliates is a party, (i) engage in any activity with the purpose or intent of (A) accelerating the collection of accounts receivable or (B) delaying the payment of the accounts payable, (j) enter into commitments for new capital expenditures in excess of \$25,000 in the aggregate, (k) create or issue or grant an option or other right to subscribe, purchase or redeem any of its securities or other equity interests (other than with Missouri-American), (l) adopt a plan of complete or partial liquidation or resolutions providing for

or authorizing such a liquidation or dissolution, merger, consolidation, restructuring, recapitalization or reorganization or (m) enter into any agreement (conditional or otherwise) to do any of the foregoing.

6.7 No Transfer at Odds with Law. Notwithstanding anything to the contrary contained herein, nothing in this Agreement shall be deemed to require the conveyance, assignment or transfer of any Acquired Asset that by operation of applicable Law cannot be conveyed, assigned, transferred or assumed. Each Party shall continue to use reasonable best efforts to obtain at the earliest practicable date all unobtained Consents or approvals required to be obtained by it in connection with the transfer of the Acquired Assets or performance of any Transaction Document. If and when any such Consents or approvals shall be obtained, then Seller shall promptly, and hereby does, assign its rights thereunder to Missouri-American without payment of consideration and Missouri-American shall, and hereby does, without the payment of any consideration therefor, (i) assume such rights or (ii) perform (or agree to perform) under such Transaction Document, as applicable. Each Party shall execute such good and sufficient instruments as may be necessary to evidence such assignment and assumption. The entire beneficial interest in and to, and the risk of loss with respect to, the Acquired Assets shall, regardless of when legal title thereto shall be transferred to Missouri-American, pass to Missouri-American at Closing as of the Effective Time, and Seller shall, without consideration therefor, pay, assign and remit to Missouri-American all monies, rights and other consideration received in respect of such performance. To the extent permitted by Law, Seller shall exercise or exploit its rights in respect of such Acquired Assets only as directed by Missouri-American.

6.8 Release of Encumbrances. Seller promptly shall take such actions as shall be requested by Missouri-American to secure the release of all Encumbrances relating to the Acquired Assets, in each case in substance and form reasonably satisfactory to Missouri-American and its counsel.

6.9 Retention of Records. Subject to applicable Law and, subject to any applicable restrictions as to confidentiality (as to which Missouri-American does not provide indemnification, or the waiver of which Seller shall not have obtained after using reasonable best efforts), Seller shall preserve any books and records relating to the System or the Business that are not delivered to Missouri-American hereunder for a period no less than seven (7) years after the Closing Date (or such longer period as shall be required by applicable Law), and Seller shall make available such books and records for review and copying to Missouri-American and its authorized representatives following the Closing at Missouri-American's expense upon reasonable notice during normal business hours. During such period, Seller shall permit, to the extent permitted by applicable Law and upon request of Missouri-American, Missouri-American and any of its agents, representatives, advisors or consultants reasonable access to employees of or servicing the Business for information related to periods up to and including the Closing.

6.10 Tax Covenants.

(a) Seller shall pay all Taxes of Seller, the System and the Acquired Assets for any Tax year or period (or portion thereof) ending at or before the Closing. For the purposes of this Section 6.10(a), the portion of such personal property or similar ad valorem Tax that relates to the Tax period ending as of the Closing shall be deemed to be the amount of such Tax for the entire Tax period multiplied by a fraction, the numerator of which is the number of days in the Tax period ending as of the Closing and the denominator of which is the number of days in the entire Tax period. For purpose of this Section 6.10(a), the portion of all other Taxes that relates to the Tax period ending as of the Closing shall be determined on the basis of an interim closing of the books.

(b) Each Party agrees to furnish or cause to be furnished to the other Party, upon request, as promptly as practical, such information (including reasonable access to books and records, Tax Returns and Tax filings) and assistance as is reasonably necessary for the filing of any Tax Return, the conduct of any Tax audit, and for the prosecution or defense of any claim, suit or Proceeding relating to any Tax matter. The Parties shall cooperate with each other in the conduct of any Tax audit or other Tax Proceedings and each

shall execute and deliver such powers of attorney and other documents as are necessary to carry out the intent of this Section 6.10(b).

(c) Seller shall pay all Taxes necessary for the transfer of the Acquired Assets, or the filing or recording of such transfer.

6.11 Capital Investment by Missouri-American. Missouri-American agrees to make significant investments (as determined by Missouri-American in good faith) in the System in the first ten years following the Closing Date, which will include, but not be limited to, internal pipelines and mains to connect the System to Seller's existing St. Louis County water system (anticipated to be completed within 18 months of Closing absent force majeure or other events beyond the reasonable control of Missouri-American), as well as significant capital (as determined by Missouri-American in good faith) to upgrade the sewer system to ensure it is compliant in all material respects with all applicable new regulations, as well as a service center/office to be located in Eureka, Missouri.

6.12 Hiring of Employees. Missouri-American agrees to offer employment on terms materially consistent with other similarly situated Missouri-American employees to certain existing Eureka public works employees as determined by Missouri-American in good faith, provided they pass the necessary background checks that are required for all Missouri-American Water employees.

6.13 Replacement of Meters. In the event that any residential or commercial customer of Missouri-American which is connected to the System requests, at any time following the Closing, to switch to a smaller water meter and Missouri-American agrees to make such change, such change shall be made at the cost and expense of Missouri-American.

6.14 Treatment of Customers in Drought or Water Shortage. In the event of a drought or water shortage impacting customers of Missouri-American which are connected to the System following the Closing, Missouri-American shall treat such customers in a manner which is generally consistent with the treatment provided by Missouri-American to other customers.

6.15 Response Times. Missouri-American will use commercially reasonable efforts to respond to each service and repair made by customers of Missouri-American which are connected to the System following the Closing as promptly as reasonably practicable.

6.16 Ammonia Discharge. Missouri-American will use commercially reasonable efforts to develop and implement a compliance plan for the System in compliance with the applicable regulations of the Missouri Department of Natural Resources with regard to any ammonia discharge reduction required to be implemented with respect to the System.

ARTICLE 7 Indemnification

7.1 Survival of Representations and Warranties and Covenants.

(a) All of the representations and warranties made by Seller in this Agreement, its Schedules, or any certificates or documents delivered hereunder shall survive the Closing Date and consummation of the Contemplated Transactions for a period of three (3) years; provided, however, that the representations and warranties contained in Sections 3.1, 3.2, 3.3, 3.5, 3.6, 3.7, 3.9 and 3.19 shall survive indefinitely.

7.2 Indemnification and Payment of Damages by Seller. Subject to the terms of this Article 7, Seller hereby agrees to fully pay, protect, defend, indemnify and hold harmless the Indemnified Persons from any and all Damages arising out of, resulting from, relating to or caused by: (i) any inaccuracy in or

breach of (or any claim by any third party alleging or constituting an inaccuracy or breach of) any representation or warranty of, or any failure to perform or nonfulfillment of any provision or covenant contained in this Agreement or any other Transaction Document by, Seller; (ii) all Liabilities and/or duties of Seller, whether accruing prior to or after the Closing Date, and any Encumbrance affecting the Acquired Assets; (iii) assessments, charges and other similar claims due or owing, directly or indirectly, by Seller or otherwise as a result of or on account of the Acquired Assets or the System at any time prior to the Closing Date; (iv) the ownership and/or operation of any of the Acquired Assets or the System prior to Closing; (v) any Proceeding now existing or hereafter arising and relating to the Acquired Assets or the System and arising from events or matters occurring prior to the Closing Date; (vi) any Excluded Assets; (vii) any and all Taxes imposed on or arising from the transfer of the Acquired Assets; (viii) intercompany accounts payable and accounts receivable by and among Seller and/or its Affiliates; (ix) transaction costs and expenses incurred by or on behalf of Seller in connection with this Agreement or the Contemplated Transactions; (x) any claim related to the System by any Person listed on Schedule 3.13; or (xi) any matters described on Schedule 7.2.

7.3 Indemnification By Missouri-American. Missouri-American hereby agrees to fully pay, protect, defend, indemnify and hold harmless Seller and its respective successors and assigns, from any and all Damages incurred by any of them arising out of, resulting from, relating to or caused by (i) any inaccuracy in or breach of any representation or warranty of, or any failure to perform or nonfulfillment of any provision or covenant contained in this Agreement or any other Transaction Document by, Missouri-American or (ii) transaction costs and expenses incurred by or on behalf of Missouri-American in connection with this Agreement or the Contemplated Transactions.

7.4 Notice of Claim. In the event that either party seeks indemnification on behalf of an Indemnified Person, such party seeking indemnification (the "Indemnified Party") shall give reasonably prompt written notice to the indemnifying party (the "Indemnifying Party") specifying the facts constituting the basis for such claim and the amount, to the extent known, of the claim asserted; provided, however, that the right of a person or entity to be indemnified hereunder shall not be adversely affected by a failure to give such notice unless, and then only to the extent that, an Indemnifying Party is actually irrevocably and materially prejudiced thereby. Subject to the terms hereof, the Indemnifying Party shall pay the amount of any valid claim not more than 10 days after the Indemnified Party provides notice to the Indemnifying Party of such amount.

7.5 Right to Contest Claims of Third Persons. If an Indemnified Party is entitled to indemnification hereunder because of a claim asserted by any Third Person, the Indemnified Party shall give the Indemnifying Party reasonably prompt notice thereof after such assertion is actually known to the Indemnified Party; provided, however, that the right of a Person to be indemnified hereunder in respect of claims made by a Third Person shall not be adversely affected by a failure to give such notice unless, and then only to the extent that, an Indemnifying Party is actually irrevocably and materially prejudiced thereby. Missouri-American shall have the right, upon written notice to Seller, to investigate, contest or settle the Third Person Claim. Seller may thereafter participate in (but not control) the defense of any such Third Person Claim with its own counsel at its own expense. If Seller thereafter seeks to question the manner in which Missouri-American defended such Third Person Claim or the amount or nature of any such settlement, Seller shall have the burden to prove by clear and convincing evidence that conduct of Missouri-American in the defense and/or settlement of such Third Person Claim constituted gross negligence or willful misconduct. The Parties shall make available to each other all relevant information in their possession relating to any such Third Person Claim and shall cooperate in the defense thereof, provided that Missouri-American shall control the defense thereof. Promptly (and in any event within 10 days) following the resolution of any Third Person Claim, Seller shall pay to Missouri-American any amount to which Missouri-American is entitled pursuant to this Article 7 with respect to such Third Person Claim.

7.6 Certain Indemnification Matters.

(a) Notwithstanding anything contained herein or elsewhere to the contrary, all “material” and “Material Adverse Effect” or similar materiality type qualifications contained in the representations and warranties set forth in this Agreement shall be ignored and not given any effect for purposes of the indemnification provisions hereof, including, without limitation, for purposes of determining whether or not a breach of a representation or warranty has occurred and/or determining the amount of any Damages.

(b) No information or knowledge acquired, or investigations conducted, by Missouri-American or its representatives, of Seller or the System or otherwise shall in any way limit, or constitute a waiver of, or a defense to, any claim for indemnification by any Indemnified Persons under this Agreement.

ARTICLE 8 Termination

8.1 Termination. This Agreement may be terminated at any time prior to the Closing only (a) by mutual written Consent of Seller and Missouri-American, (b) by Seller or Missouri-American upon written notice to the other, if the Closing shall not have occurred on or prior to the earlier of (i) July 1, 2021 and (ii) the date which is 60 days after the date as of which all approvals required to be obtained from the MoPSC with respect to this Agreement and/or the transactions contemplated hereby have been obtained, provided, however, that the right to terminate this Agreement under this Section 8.1(b) shall not be available to any Party whose breach under this Agreement has caused or resulted in the failure of the Closing to occur on or before such date, (c) by Missouri-American, if Missouri-American is not in material breach of any of its representations, warranties, covenants and agreements under this Agreement and there has been a material breach of any representation, warranty, covenant or agreement contained in this Agreement on the part of Seller and Seller has not cured such breach within five (5) Business Days after receipt of notice of such breach (provided, however, that, no cure period shall be required for a breach which by its nature cannot be cured), (d) by Missouri-American, if, at any time before Closing, Missouri-American is not satisfied with the results of its due diligence review of the System and the Acquired Assets, (e) by Seller if Seller is not in material breach of any of its representations, warranties, covenants and agreements under this Agreement and there has been a material breach of any representation, warranty, covenant or agreement contained in this Agreement on the part of Missouri-American and Missouri-American has not cured such breach within five (5) Business Days after receipt of notice of such breach (provided, however, that, no cure period shall be required for a breach which by its nature cannot be cured), (f) by Seller or Missouri-American upon written notice to the other, if any court of competent jurisdiction or other competent Governmental Entity shall have issued a statute, rule, regulation, Order, decree or injunction or taken any other action permanently restraining, enjoining or otherwise prohibiting the Contemplated Transactions, and such statute, rule, regulation, Order, decree or injunction or other action shall have become final and non-appealable, (g) by Missouri-American, if all necessary regulatory approvals (including rate treatment, refunds and setting of rate base and all approvals described in Section 5.1(g)) contemplated hereby or otherwise necessary to close the Contemplated Transactions have not been obtained within 270 days of the date hereof, or (h) by Missouri-American if any Material Adverse Effect shall have occurred or, in the reasonable judgment of Missouri-American, shall be reasonably likely to occur.

8.2 Effect of Termination. The right of each Party to terminate this Agreement under Section 8.1 is in addition to any other rights such Party may have under this Agreement or otherwise, and the exercise of a right of termination will not be an election of remedies. If this Agreement is terminated pursuant to Section 8.1, all further obligations of the Parties under this Agreement will terminate, except that the obligations set forth in the Confidentiality Agreement, Section 6.1(b) (“Confidentiality”), Section 6.2 (“Publicity; Announcements”), this Section 8.2 (“Effect of Termination”) or Article 9 (“General Provisions”) will survive; provided, however, that if this Agreement is terminated by a Party because of the breach of the Agreement by another Party or because one or more of the conditions to the terminating Party’s obligations under this Agreement is not satisfied as a result of the other Party’s failure to comply with its obligations

under this Agreement, the terminating Party's right to pursue all legal remedies will survive such termination unimpaired.

ARTICLE 9 General Provisions

9.1 Amendment and Modification. No amendment, modification or supplement of any provision of this Agreement will be effective unless the same is in writing and is signed by the Parties.

9.2 Assignments. Seller may not assign or transfer any of its rights or obligations under this Agreement to any other Person without the prior written Consent of Missouri-American. Missouri-American may not assign its rights and obligations under this Agreement to any third party, without the prior written Consent of Seller, but may assign its rights and obligations under this Agreement to any Related Person or successor in interest without the Consent of Seller. Subject to this Section 9.2, all provisions of this Agreement are binding upon, inure to the benefit of and are enforceable by or against the Parties hereto and their respective heirs, executors, administrators or other legal representatives and permitted successors and assigns.

9.3 Captions; Construction. Captions contained in this Agreement and any table of contents preceding this Agreement have been inserted herein only as a matter of convenience and in no way define, limit, extend or describe the scope of this Agreement or the intent of any provision hereof. In the event of an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the Parties and no presumption or burden of proof shall arise favoring or disfavoring any Party by virtue of the authorship of any provisions of this Agreement.

9.4 Counterparts; Facsimile. This Agreement may be executed by the Parties hereto on any number of separate counterparts, and all such counterparts so executed constitute one agreement binding on all the Parties hereto notwithstanding that all the Parties hereto are not signatories to the same counterpart. For purposes of this Agreement, a document (or signature page thereto) signed and transmitted by e-mail, facsimile machine or telecopier is to be treated as an original document.

9.5 Entire Agreement. This Agreement and the other Transaction Documents constitute the entire agreement among the Parties hereto pertaining to the subject matter hereof and supersede all prior agreements, letters of intent, understandings, negotiations and discussions of the Parties hereto, whether oral or written, executed by the Parties pertaining to the subject matter hereof. All of the Exhibits and Schedules attached to this Agreement are deemed incorporated herein by reference.

9.6 Governing Law. This Agreement and the rights and obligations of the Parties hereunder are to be governed by and construed and interpreted in accordance with the Laws of the State of Missouri applicable to Contracts made and to be performed wholly within Missouri, without regard to choice or conflict of laws rules.

9.7 Legal Fees, Costs. Except as provided herein, all legal, consulting and advisory fees and other costs and expenses incurred in connection with this Agreement and the Contemplated Transactions are to be paid by the Party incurring such costs and expenses.

9.8 Notices. All notices, Consents, requests, demands and other communications hereunder are to be in writing and are deemed to have been duly given, made or delivered: (i) when delivered in person or by e-mail, (ii) three (3) Business Days after deposited in the United States mail, first class postage prepaid, or (iii) in the case of telegraph or overnight courier services, one (1) Business Day after delivery to the telegraph company or overnight courier service with payment provided, in each case addressed as follows:

9.9 Severability. This Agreement shall be deemed severable; the invalidity or unenforceability of any term or provision of this Agreement shall not affect the validity or enforceability of this Agreement or of any other term hereof, which shall remain in full force and effect, for so long as the economic or legal substance of the Contemplated Transactions is not affected in any manner materially adverse to any Party.

9.10 Specific Performance and Injunctive Relief; Remedies. The Parties hereto recognize that if any or all of them fail to perform, observe or discharge any of their respective obligations under this Agreement, a remedy at law may not provide adequate relief to the other Parties hereto. Therefore, in addition to any other remedy provided for in this Agreement or under applicable Law, any Party hereto may demand specific performance of this Agreement, and such Party shall be entitled to temporary and permanent injunctive relief, in a court of competent jurisdiction at any time when any of the other Parties hereto fail to comply with any of the provisions of this Agreement applicable to such Party. To the extent permitted by applicable Law, all Parties hereto hereby irrevocably waive any defense based on the adequacy of a remedy at law which might be asserted as a bar to such Party's remedy of specific performance or injunctive relief. Except as otherwise provided herein, all rights and remedies of the parties under this Agreement are cumulative and without prejudice to any other rights or remedies under Law. Nothing contained herein shall be construed as limiting the Parties' rights to redress for fraud.

9.11 No Third-Party Beneficiary. This Agreement is solely for the benefit of the Parties hereto and their respective successors and permitted assigns (and those Persons entitled to recover under the indemnity provisions hereof), and no other Person (other than those Persons entitled to recover under the indemnity provisions hereof) has any right, title, priority or interest under this Agreement or the existence of this Agreement.

9.12 Waiver of Compliance; Consents. Any failure of a Party to comply with any obligation, covenant, agreement or condition herein may be waived by the other Party only by a written instrument signed by the Party granting such waiver, but such waiver or failure to insist upon strict compliance with such obligation, covenant, agreement or condition shall not operate as a waiver of, or estoppel with respect to, any subsequent or other failure. Whenever this Agreement requires or permits Consent by or on behalf of any Party hereto, such Consent shall be given in writing in a manner consistent with the requirements for a waiver of compliance as set forth in this Section 9.12.

9.13 Jurisdiction; Venue; Consent to Service of Process. Each of the Parties irrevocably and unconditionally submits to the non-exclusive jurisdiction of the St. Louis County Court in St. Louis, Missouri or, if such court will not accept jurisdiction, the Supreme Court of the State of Missouri or any court of competent civil jurisdiction sitting in St. Louis, Missouri. In any action, suit or other Proceeding, each of the Parties irrevocably and unconditionally waives and agrees not to assert by way of motion, as a defense or otherwise any claims that it is not subject to the jurisdiction of the above courts, that such action or suit is brought in an inconvenient forum or that the venue of such action, suit or other Proceeding is improper. Each of the Parties also hereby agrees that any final and unappealable judgment against a Party in connection with any action, suit or other Proceeding shall be conclusive and binding on such Party and that such award

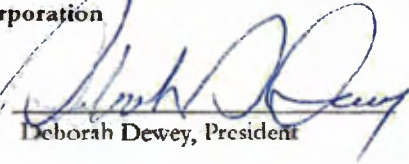

or judgment may be enforced in any court of competent jurisdiction, either within or outside of the United States. Each Party irrevocably consents to service of process in the manner provided for the giving of notices pursuant to Section 9.8. Nothing in this Section 9.13 shall affect the right of any Party to serve process in any other manner permitted under applicable Law.
