Mr. Gregory D. Williams
Golden Glade Water System
P.O. Box 231
Sunrise Beach, MO 65079

Dear Mr. Williams:

This letter is a follow up to my verbal approval to temporary use of the Golden Glade Water System, MO3031299, to serve the Eagle Woods Subdivision on Highway KK in Camden County. As we discussed, the approval is given under the following conditions.

1. You shall collect and submit at least one routine bacteriological sample each month from a location in the Eagle Woods Subdivision that will provide a reasonable representation of the drinking water quality in the subdivision. The monthly sample shall be submitted to the Missouri Department of Health Laboratory, 307 West McCarty Street, P.O. Box 570, Jefferson City, Missouri, 65102. Within 30 days of the date of his letter, submit a map showing the location of the sampling point(s) that will be used in the Eagle Woods Subdivision.
2. Within 30 days of the date of this letter, submit to the Missouri Department of Natural Resources' Public Drinking Water Program a request to remain permanently connected to the Golden Glade Water System. The request must include engineering plans and specifications concerning the construction of the Eagle Woods Subdivision distribution system and documentation that the Golden Glade Water System can adequately serve the Eagle Woods Subdivision. Plans and specifications shall be prepared and approved by a professional engineer registered in the State of Missouri.

3. This approval will remain in effect until a final decision is made on the permanent connection of the Eagle Woods Subdivision to the Golden Glade Water System to be rendered by the Missouri Department of Natural Resources, Public Drinking Water Program or until Eagle Woods Subdivision disconnects from the Golden Glade Water System.

If you have any questions, please contact me at (573) 751-2729.

Sincerely,

JEFFERSON CITY REGIONAL OFFICE

Stephen P. Jones, P.E.
Public Drinking Water Unit Chief
