Case No. WC-2006-0082, et al.

Complainants' Objection to Respondents' Request for Depositions

Comes now, Cathy Orler, on her own behalf, to state the following objection to the Commission, to the Respondents' request for depositions from the Complainants.

Ms. Orler is also very clearly stating, that in no way, is she representing the Complainants; the Complainants are merely all in agreement with their objections to be deposed and support that objection by their individual signatures.

Not being represented by legal counsel in the Formal Complaint cases filed with the Missouri Public Service Commission, the Complainants are objecting to the Respondents' request for depositions.

The Complainants are however, fully prepared under oath, to provide any testimonies regarding these cases before the Commission as the presiding and neutral body at the Formal Evidentiary Hearing.

In addition, the "Certificate of Service" regarding the "Notice of Deposition," is dated June 09, 2006, with the first deposition scheduled for June 21, 2006 at 2:00 p.m. for Cathy Orler. Ms. Orler received this notification of deposition via U. S. mail on June 14, 2006. Ms. Orler also received an "Amended Certificate of Service," regarding the "Notices of Deposition," dated June 15, 2006, via U. S. mail on June 19, 2006. The Complainants understand that they have

the right to an objection within 10 days; but again, not being represented by legal counsel, the Complainants would like clarification from the Commission, as to what date is considered the start date from which to calculate the 10 days allowed for an objection.

The Complainants in these Formal Complaint cases before the Commission, are making every effort to comply with the procedural processes of the judicial system. However, not being represented by legal counsel, the Complainants very respectfully request of the Commission, some clarification and guidance to enable them to do so.

Respectfully submitted,

Cathy Orler
