STATUS REPORT

COMES NOW the Staff of the Missouri Public Service Commission (Staff), by and through counsel, as directed by the Commission’s Order Directing Staff to File Monthly Status Reports and submits the following Status Report to the Missouri Public Service Commission (the Commission):

1. This report covers the period of August 1, 2009 to August 31, 2009 and serves as the “monthly status report” for that period. Staff will continue to file these reports on or around the last working day of each month unless directed to do otherwise.

2. In the Status Report filed by Staff on July 31, 2009, Staff reported that it was reviewing certain documentation submitted by the President of the newly-incorporated non-profit entities, the Black Oak Mountain Water Company and the Black Oak Mountain Sewer Company (collectively referred to Black Oak Mountain Water and Sewer), in order to determine whether such documentation demonstrates the current ability of Black Oak Mountain Water and Sewer to access the utility system-related facilities. Since that time Staff has determined that because the documentation addresses only the Black Oak Mountain Property Owners Association and not Black Oak Mountain Water and Sewer that such documentation is not sufficient to satisfy Staff’s related condition. Staff has conveyed this information to the President of Black Oak Mountain Water and Sewer, who in turn has committed to providing Staff with appropriate documentation in the near future.

WHEREFORE, Staff submits this Status Report for the Commission's information.

Respectfully Submitted,

/s/ Eric Dearmont
