STATUS REPORT

COMES NOW the Staff of the Missouri Public Service Commission (Staff), by and through counsel, as directed by the Missouri Public Service Commission's *Order Directing Staff to File Monthly Status Reports*, and submits the following report:

1. This report covers the period of November 1, 2008 to November 30, 2008 and serves as the "monthly status report" for that period. Staff will continue to file these reports on or around the last working day of the month unless directed to do otherwise.
2. On October 30, 2008, Staff mailed to the organizer of the proposed utility entity a letter containing Staff's recommendations and suggestions regarding compliance of the entity's Bylaws and Articles of Incorporation with the Missouri non-profit corporation statutes. Staff's suggestions were to be reviewed and revised by that individual and by the Black Oak Mountain Resort Property Owners Association (the Association).
3. On November 21, 2008, Staff spoke with the organizer concerning the status of the review of the Bylaws and Articles of Incorporation.
4. This individual indicated at that time that he had distributed Staff's comments regarding the corporation Bylaws and Articles of Incorporation to Association board members, and that the documents were currently under review. He further indicated that review by an attorney would be sought after the review and editing by the board.

5. Concerning the status of the utility system, it is Staff's understanding that the Association is currently handling system operations. Staff further reports that due to the repair of system electrical components that the Association is experiencing temporary cash flow difficulties, which should be relieved pending the receipt of this month's revenues.

WHEREFORE, Staff submits this Status Report for the Commission's information.

Respectfully submitted,

/s/ Eric Dearmont
