**ORDER APPROVING TARIFF
IN COMPLIANCE WITH COMMISSION ORDER**

Issue Date: March 19, 2010

Effective Date: March 30, 2010

On March 17, 2010, the Missouri Public Service Commission issued an order approving Missouri-American Water Company's Infrastructure System Replacement Surcharge. The Commission also rejected the company's proposed tariff and allowed it to file a tariff to implement the approved charge. Missouri-American then filed a tariff with an effective date of April 16, 2010. Seeking expedited treatment, the company, however, requested that the tariff be approved to become effective by March 30.

In an effort to accommodate the company's request, the Staff of the Commission filed its recommendation on March 19. Staff informs the Commission that the tariff is in compliance with the Commission's March 17 order and recommends that the tariff be approved to become effective on March 30.

The Commission has reviewed Staff's recommendation and finds that the tariff is in compliance with its order and will approve the tariff to become effective on March 30, 2010.

THE COMMISSION ORDERS THAT:

1. The following tariff, Tariff File No. JW-2010-0567, is approved to become effective on March 30, 2010:

P.S.C. MO. No. 6

9th Revised Sheet No. RT 18.0, Cancelling 8th Revised Sheet No. RT 18.0

2. This order shall become effective on March 30, 2010.
3. This case shall be closed on March 31, 2010.
