ORDER DIRECTING FILING

Issue Date: January 8, 2016

Effective Date: January 8, 2016

On October 28, 2015, Missouri-American Water Company ("MAWC") filed an application/petition with the Missouri Public Service Commission to reconcile its Infrastructure System Replacement Surcharge ("ISRS"), claiming an under-collection of \$5,870,309 for the period of September 25, 2012 through September 30, 2015. On December 29, 2015, the Commission's Staff filed a recommendation that the Commission approve a different cumulative reconciliation in the amount of \$4,272,324. In its response to the Staff recommendation, MAWC disagrees with Staff's method of calculation. The Commission will direct its Staff and MAWC to file a recommendation regarding how they prefer to resolve that dispute between the parties.

THE COMMISSION ORDERS THAT:

1. Missouri-American Water Company and the Commission's Staff shall file a recommendation as described in the body of this order no later than January 13, 2016.

2. This order shall be effective when issued.
