

The parties request that a local public hearing be scheduled as soon as possible to allow the other members of the community to provide information and to voice their concerns. The scheduling of the local public hearing will be addressed in a separate order.

The proposed schedule is reasonable and the Commission will adopt it. The Commission finds that the following conditions should be applied:

(A) Pursuant to Commission Rule 4 CSR 240-2.130(15), testimony and schedules may not be filed under seal and treated as proprietary or highly confidential unless the Commission has first established a protective order. Any testimony or schedule filed without a protective order first being established will be considered public information.

(B) The parties shall agree upon and Staff shall file a list of the issues to be heard, the witnesses to appear on each day of the hearing, the order in which they will be called, and the order of cross-examination for each witness. Any issue not contained in this list of issues will be viewed as uncontested and not requiring resolution by the Commission.

(C) Each party shall file a prehearing brief, and in addition shall file a simple and concise statement summarizing its position on each disputed issue.

(D) All pleadings, briefs, and amendments shall be filed in accordance with Commission Rule 4 CSR 240-2.080. Briefs shall follow the same list of issues as filed in the case and must set forth and cite the proper portions of the record concerning the remaining unresolved issues that are to be decided by the Commission.

(E) All parties are required to bring an adequate number of copies of exhibits that they intend to offer into evidence at the hearing. If an exhibit has not been prefiled, the party offering it should bring, in addition to the copy for the court reporter, copies for the five Commissioners, the Presiding Judge, and all counsel.
