ORDER DIRECTING FILING

Issue Date: February 7, 2006

Effective Date: February 7, 2006

On February 6, 2006, the State of Missouri, Department of Corrections, filed a Complaint. The Complaint does not contain the address where the utility service was rendered as required in 4 CSR 240-2.070(5)(A). The Complaint also does not contain any "specific reference to the statutory provision or other authority under which relief is requested" as required by 4 CSR 240-2.080(3). Finally, the Complaint lacks a certificate of service indicating that the Complaint was served on the other party and on the General Counsel of the Public Service Commission and the Office of the Public Counsel as required by 4 CSR 240-2.080(18) and (19). Because of these deficiencies, the Commission will direct the Complainant to amend its Complaint as ordered below.

The Commission shall not send notice of the Complaint until the Amended Complaint is received.

IT IS ORDERED THAT:

1. The State of Missouri, Department of Corrections, shall amend its Complaint to comply with the Commission's rules.
2. This order shall become effective on February 7, 2006.
