**MOTION FOR EXPEDITED TREATMENT**

**COMES NOW** Missouri-American Water Company (“MAWC”), and for its *Motion for Expedited Treatment* pursuant to Commission Rule 20 CSR 4240-2.080(14), respectfully states as follows to the Missouri Public Service Commission (“Commission”):

1. On May 10, 2022, MAWC filed an application that seeks permission and approval for certificates of convenience and necessity associated with the acquisition of a water system and sewer system in and around the City of Stewartsville, Missouri, located in DeKalb and Clinton Counties. On December 29, 2022, MAWC and Staff filed a non-unanimous *Stipulation and Agreement* (Agreement) that purported to resolve all issues between them.

2. On January 11, 2023, the Commission issued its *Order Approving Stipulation and Agreement and Granting Certificate of Convenience and Necessity* and, therein, granted MAWC a certificate of convenience and necessity to provide water and sewer service in the Stewartsville Systems service area, subject to the conditions and requirements contained in the Agreement.

3. Those conditions and requirements included the following condition:

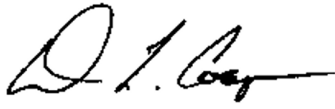

Require MAWC submit tariff sheets, to become effective before closing on the assets, to include a revised service area map, revised service area written description, rates and charges to be included in its EFIS tariffs P.S.C. MO No. 13 and 26, applicable to water and sewer service, respectively. Such tariff sheets shall include the maps and legal descriptions attached hereto as Appendices A (Map - water), B (legal description – water), C (map - sewer) and D (legal description – sewer);

4. The revised tariff sheets designed to comply with this condition, Tracking Nos. JW-2023-0129 and YS-2023-0130, are attached hereto. Although the tariffs bear an effective date 30 days after issuance, MAWC requests that the tariffs be allowed to take effect for service rendered on and after February 10, 2023, or as soon thereafter as is reasonable.

5. Pursuant to Commission Rule 20 CSR 4240-2.080(14), MAWC submits that the tariff sheets are being filed in compliance with the Commission's *Order*. Further, the citizens of Stewartsville have expressed their desire to sell the municipal water system and sewer system to MAWC having held an election with 90% of the votes in favor of Stewartsville selling its water and sewer systems to MAWC. A grant of this Motion would allow the matter to move forward more expeditiously, without any negative effect on customers or the general public. MAWC further states that this Motion is being filed as quickly as possible after the Commission issued its *Order*.

**WHEREFORE**, MAWC respectfully requests an order of the Commission granting this motion and allowing the revised tariff sheets, Tracking Nos. JW-2023-0129 and YS-2023-0130 to take effect for service rendered on and after February 10, 2023, or as soon thereafter as is reasonable. MAWC requests such additional relief as is necessary or appropriate under the

circumstances.
