**MO PSC Work I.D. Nos. QW-2007-0006 & QS-2007-0007**

**Background**

S. K. & M. Water & Sewer Company, Inc. (Company) initiated the small company rate increase request for sewer and water service (Request) that is the subject of the above-referenced Missouri Public Service Commission (Commission) tracking file by submitting a letter to the Secretary of the Commission under the provisions of Commission Rules 4 CSR 240-3.330 and 4 CSR 240-3.635, Sewer and Water Utility Small Company Rate Increase Procedure. The date that the Company's letter was received at the Commission's offices was October 19, 2006. Under the provisions of the above-referenced rule, an agreement regarding the disposition of the Company's Request was to be reached and tariff revisions consistent with that agreement were to be filed on or before March 19, 2007<sup>1</sup>. An extension to May 21 was previously filed on March 26.

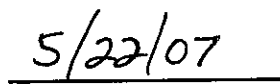

**Reason for Extension**

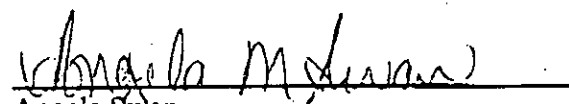

Staff required additional time to come to agreement with the Company and complete the Company/Staff Agreement Regarding Disposition of Small Company Rate Increase Requests.

**Agreement for Extension**

Based on the above, the Company agrees that the date by which an agreement regarding the disposition of the Company's Request is to be reached and the requisite tariff revisions are to be filed should be extended to June 1.
