ORDER GRANTING REQUEST FOR ADDITIONAL TIME

Issue Date: October 31, 2022

Effective Date: October 31, 2022

On September 9, 2022, Confluence Rivers Utility Operating Company, Inc. (Confluence Rivers) filed two applications that sought permission and approval for a certificate of convenience and necessity (CCN) to construct, install, own, operate, maintain, control, and manage a water system and a sewer system, respectively, in an area of St. Charles County, Missouri. Those applications – WA-2023-0092 and SA-2023-0093 – were consolidated by the Commission on September 15, 2022, with WA-2023-0092 designated the lead case.

On September 15, 2022, the Commission directed the Staff of the Commission (Staff) to file a recommendation regarding the application, or a request for additional time, on or before October 31, 2022.

On October 31, 2022, Staff filed a *Request for Additional Time to File Staff Recommendation*, requesting that the deadline to file a recommendation be moved to November 30, 2022. Neither Confluence Rivers nor the Office of Public Counsel oppose the request.

The Commission finds the request reasonable and will grant it.

THE COMMISSION ORDERS THAT:

1. Staff's request for additional time to file its recommendation is granted.
2. Staff shall file its recommendation on or before November 30, 2022.
3. This Order shall be effective when issued.
