OF THE STATE OF MISSOURI

In the Matter of Union Electric Company, d/b/a)
Ameren Missouri's Tariff to Increase Its Revenues)
for Electric Service) Case No. ER-2014-0258

**WAL-MART STORES EAST, LP, AND SAM'S EAST, INC.'S
MOTION TO SUBSTITUTE COMPLETED SCHEDULES TO PREFILED TESTIMONY
AND MOTION FOR EXPEDITED TREATMENT**

Pursuant to 4 240-2.080, Wal-Mart Stores East, LP, and Sam's East, Inc., (collectively "Walmart") submit this motion ("Motion") to substitute completed schedules for those previously filed in this docket. Walmart also requests expedited treatment of this Motion. In support of this Motion Walmart states as follows:

1. On December 19, 2014, the Direct Testimony And Schedules Of Steve W. Chriss were filed on behalf of Walmart. Attached to Mr. Chriss' testimony were hard copies of Schedules SWC-8 through SWC-14. The original electronic versions of Schedules SWC-8 through SWC-14 were subsequently circulated to all parties on December 23, 2014.

2. It has come to Walmart's attention that the schedules attached to Mr. Chriss' testimony were incomplete and do not include all of the information from the underlying electronic schedules. Attached are hard copies of the complete electronic files that were circulated to the parties on December 23, 2014.

3. By this motion Walmart seeks to have the attached schedules accepted for filing and substituted in place of those originally attached to Mr. Chriss' testimony. There are no substantive differences between the original schedules attached to Mr. Chriss' testimony and those attached to this Motion. However, the attached schedules are complete, whereas those attached to Mr. Chriss' testimony were incomplete.

**WAL-MART STORES EAST, LP,
AND SAM'S EAST, INC.'S
MOTION TO SUBSTITUTE COMPLETED
SCHEDULES TO PREFILED TESTIMONY AND
MOTION FOR EXPEDITED TREATMENT,
Case No. ER-2014-0258**

4. Rebuttal testimony is due in this case on January 16, 2015. Because the rebuttal filing date is quickly approaching, expedited treatment of this Motion is essential. Without expedited treatment additional rebuttal testimony is likely addressing differences between the hard copies and electronic copies of Schedules SWC-8 through SWC-14. Substituting the attached schedules will conform the hard copies filed of record in this docket with the electronic files circulated to the parties. Judicial economy will be promoted by avoiding the need for parties to address the issue in rebuttal testimony, as well as avoiding confusion that may arise at the evidentiary hearing. No party will be prejudiced by the requested relief since the parties have had the complete electronic schedules since December 23, 2014.

5. For these reasons, Walmart requests that the Commission act upon this Motion as soon as possible so that the corrected schedules are available prior to the filing of rebuttal testimony.

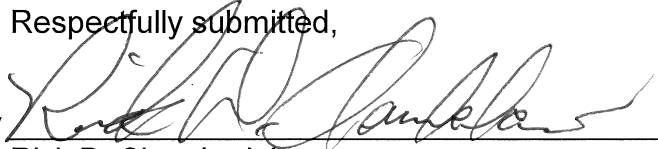

WHEREFORE, Wal-Mart Stores East, LP, and Sam's East, Inc., respectfully request that the Commission expeditiously grant this Motion and accept the attached Schedules SWC-8 through SWC-14 as substitutes for the original schedules attached to Mr. Chriss' December 19, 2014, testimony.
