REPORT OF MEDIATOR

Issue Date: June 6, 2006

On December 13, 2005, this complaint was referred to Regulatory Law Judge Morris Woodruff for the purpose of mediation between the parties. The mediator reports that a mediation session was held on February 10. Thereafter, the parties continued to negotiate among themselves. The parties have now informed the mediator that they have reached an agreement that will resolve this complaint.

With the parties having reached an agreement, there is no need for further mediation. This matter is therefore referred back to the Commission for final resolution.
