Missouri Public
Service Commission

APPLICATION TO INTERVENE IN CASE NO. W0-2007-0277

In the Matter of Folsom Ridge, LLC., and Big Island Homeowners' Association Inc. for Order Authorizing Transfer and Assignment of Certain Water and Sewer Assets to Big Island Water Company and Big Island Sewer Company and In Connection Therewith Certain Other Related Transactions

The undersigned, and proposed intervenor(s), being a property owner(s) and/or resident(s) of Big Island, have a vested interest in this case, which is different and/or unique from that of the general public, and which may be adversely affected by a final order arising from this case; as it concerns the liabilities of the utility that are transferred with the utility assets, and imposed with and through membership(s) in the Big Island Water Company and the Big Island Sewer Company, as a condition to receive utility service.

The undersigned's interest in seeking intervention, is unique by signature, and differs from that of the general public, by:

- a. opposing the transfer and assignment of utility assets, or
- b. statement of position is unsure, and requires more information

Therefore, as directed and allowed by 4 CSR 240-2.075, the proposed intervenor, as undersigned property owner(s) and/or

resident(s) of Big Island, wishes to intervene in this case, to individually address the liabilities associated with the transfer of the utility assets, and imposed with and through membership, as a condition to receive utility service.
