REQUEST FOR EXPEDITED TREATMENT**

Issue Date: May 22, 2014

Effective Date: May 22, 2014

On February 25, 2014, Missouri-American Water Company (“MAWC”) filed a petition to change its Infrastructure System Replacement Surcharge. On February 26th, the Missouri Public Service Commission issued an order which suspended the tariff (Tracking No. YW-2014-0329), directed the Staff of the Commission to file a recommendation, and set a deadline for interested parties to intervene. No requests to intervene were received. On April 23rd, Staff filed its recommendation, to which MAWC filed a response on April 29th. On May 22nd, MAWC submitted a revised tariff sheet (Tracking No. YW-2014-0472) and a Stipulation and Agreement between MAWC and Staff. MAWC also requested expedited treatment so that the revised tariff sheet may go into effect on May 30th. MAWC indicates that both Staff and the Office of the Public Counsel do not object to the request for expedited treatment.

The Commission will set a deadline for parties to file objections to MAWC’s request for expedited treatment or the revised tariff sheet.

THE COMMISSION ORDERS THAT:

1. Interested parties may file objections to Missouri-American Water Company's revised Infrastructure System Replacement Surcharge tariff sheet (Tracking No. YW-2014-0472) or the request for expedited treatment no later than May 23, 2014.
2. This order shall become effective upon issuance.
