STATUS REPORT

COMES NOW the Staff of the Missouri Public Service Commission, by and through counsel, and for its *Status Report* in this matter hereby states:

1. On February 16, 2016, Staff filed its initial *Status Report* in the above-referenced matter and asked the Commission to allow Staff 60 days in which to file either its final report or, in the alternative, an additional status report. Staff has been using this 60 day period to compile the information it has gathered into a complete final report.

2. Within the last few weeks significant developments have occurred in this matter, which Staff continues to investigate. Therefore, Staff anticipates it will file its final report by April 29, 2016.

WHEREFORE, Staff asks that the Commission accepts this status report; and grant such other and further relief as the Commission considers just in the circumstances.

Respectfully submitted,
