**STATUS REPORT**

**COME NOW** the Staff of the Missouri Public Service Commission (“Staff”), as directed by the Commission’s *Order Directing Staff to File Monthly Status Reports*, and submits the following report:

This report covers the period of July 1 to July 31 and serves as the “monthly status report” for that period. Staff will continue to file these reports on or around the last working day of each month unless directed to do otherwise.

As noted in the previous Status Report, the Black Oak Mountain Resort Property Owners Association held a meeting July 21, 2007. The Association and Stone County have met and reached a tentative agreement on lease language so the Association can obtain legal access to the property used in providing water and sewer service. The Association is currently arranging for final checks regarding the status of the property ownership and expects have another meeting within the next few weeks to move forward with the necessary bylaw modifications and elections for additional directors to manage water and sewer issues. Staff has nothing further to report at this time.

**WHEREFORE**, Staff submits this Status Report for the Commission’s information.

Respectfully submitted,

**/s/ David A. Meyer**
