ORDER ADDING NECESSARY PARTIES

Issue Date: October 1, 2009

Effective Date: October 1, 2009

In its July 31, 2009, status report, the Staff of the Missouri Public Service Commission informed the Commission that the incorporators of the Black Oak Mountain Sewer Company and the Black Oak Mountain Water Company filed with the Missouri Secretary of State the necessary documents to become non-profit water and sewer corporations. Staff further indicated that the incorporators of Black Oak Mountain Water and Sewer are individual property owners in the Black Oak Mountain Resort community and have actively engaged in communication with the Directors of the Association. In addition, all entities, including Staff, support the incorporation of Black Oak Mountain Water and Sewer as a viable solution to the utility issues facing the community. And furthermore, it is the intention in the incorporation of Black Oak Mountain Water and Sewer for these entities to be the transferees of the assets of Swiss Villa Utilities, Inc.

Therefore, Black Oak Mountain Water and Sewer are necessary parties to a full adjudication of this matter. The Commission will add Black Oak Mountain Water and Sewer as parties to this case.
